

**PROVIDING FOOD SAFETY SERVICES
FOR LICENSED FOOD BUSINESSES IN
QUEENSLAND**

It is vital that necessary controls are in place to ensure the provision of safe food.

NAQ Nutrition can help licensed food businesses with all food safety requirements. We have a team of experienced approved food safety auditors whose expertise lies in food safety for vulnerable population groups including childcare, aged care, respite and disability services.

Our food safety services help with the required documentation, training and auditing services needed for licensed food businesses:

Is your food business complying with relevant food safety legislation and regulations?

Is your food safe for consumption?

Food Safety Program Auditing

Auditing of a new food safety program for approval to your local council.

\$300 + GST

Food Safety Onsite Auditing

Onsite compliance audits at the frequency set by your local council.

\$450 + GST

Food Safety Supervisor Training

Meets the requirements of Nationally Recognised Training and has been specifically developed to meet the needs of staff working with vulnerable population groups

\$350 + GST per person

Food Safety Training
